We've been giving the kids extra chances to earn extra reward days separated by each grade level. Movies, popcorn and hot cocoa parties seem to be a common theme. Origami club took off as a hit and started out as a once a week activity and now is being held on Mondays AND Wednesdays. Tuesdays are for art club and Thursdays are balanced between creative writing and technology time! On Fridays, we play Bingo and let the kids make perler bead master pieces. We are still trying to enjoy the outdoors as much as possible before that isn't an option anymore. Luckily the p.e teacher and librarian let us use their space to hold activities as well. We do our best to try and show gratitude daily!
