Purpose

The Longfellow KEY Before and After School Program is a non-profit organization formed by concerned parents back in 1894 to overcome the before and after school care challenges faced by so many families. The program for children attending Longfellow School offers a wide variety of activities that enhance self-expression, exploration and further the development of the children in a safe, fun and friendly environment.

Goal

To provide students with a safe, fun and friendly environment in which they can grow and learn.

Activities

Students are able to participate in a variety of activities. Students may choose to participate in a group game, art projects, crafts or free choice games and activities. During afternoon program, a nutritious snack is provided before students engage in activities.

Applications are accepted up to one year prior to anticipated enrollment at Longfellow.

Children who can not be enrolled immediately will be placed on a lottery waitlist. Applicants are contacted in the order they are randomly drawn. If you have any questions please give us a call.
